Exchange together with a ski BLACK POWDER

For any pair mounted on a Black Powder ski that is exchanged, the customer can obtain a new binding at the same price than above + 5 % extra discount.

To be valid this warranty must be purchased at the same time as the pair of binding, it must be signed by the manager AlpControl and attached with the invoice.

The skier declare on his honor (we won't check) not to go down with the bindings locked more than strictly necessary (zones where falling is forbidden).

The price exclude the shipping and the mounting charged 7 € per bloc.
